Singapore, March 2015 – Securit Chalkboards and Liquid Chalk Markers are now stocked at ToTT Store.

Securit Chalkboards are made from lightweight vinyl and are durable, thin and flexible. The chalkboards come in various quirky and fun shapes with double-sided writing surfaces for different situations.

There are table chalk boards of different sizes for tabletop labelling and display purposes. They come in precision cut shapes on a strong yet flexible, thin, double-sided writing surface with an aluminium or wooden base. Write memos on them or the dinner menu when friends come over for a party!

Securit Liquid Chalk Markers come in multiple colours and are suitable for writing or drawing on glass, chalkboards, porcelain, metal, plastic or any non-porous surface. The liquid chalk is resistant to smudge and light rain and can be used for outdoor signs and notices. To start over, just wipe clean with a wet sponge.

Securit Chalk Boards are UV and scratch-resistant. They are ideal for to-do lists, decorative use at home, workplace memos, menus and promotions. Pick your marker colour of choice and get creative with Securit!

ToTT Store carries a wide range of Securit Chalkboards and Liquid Chalk Markers priced from \$7.50 - \$281.90.
